

Collagène

Marine Sourced Collagen

Get glowing with Collagène. This delicious blend of collagen and other powerful ingredients nourishes cells to keep your skin, hair, and nails vibrant and healthy.

Features & Benefits

- Promotes vibrant and youthful-looking skin.*
- Delivers 5 grams of highly bioavailable marine collagen.*
- Promotes the body's natural ability to produce collagen.*
- Supports healthy skin, hair, and nails.*
- Supports healthy immune response and joints.*

Key Ingredients

Marine Collagen

Five grams of marine collagen help give the skin a firm and glowing complexion. Collagène is hydrolyzed and micronized for superior cellular absorption. Our collagen is from wild-caught fish obtained through a sustainable open ocean aquaculture process.

Keratin

Supports health of the skin, hair, and nails. Our keratin is in a hydrolyzed form that dramatically increases cellular absorption and bioavailability.

Hyaluronic Acid

Keeps the skin supple by preventing water loss. Also helps with elastin production.

Collagène contains no artificial ingredients, colors, flavors, additives, gluten, casein, wheat, dairy, soy, corn, nuts, oats, sugar, artificial preservatives, lubricants, or fillers.

Pomegranate Juice Concentrate

Pomegranate contains a class of phytonutrients called punicalagins that help turn collagen production in the cells back on.

Vitamin C

Included for its potent antioxidant properties and preventive effect on skin damage.

Biotin

Also known as vitamin B7, biotin is effective at supporting health of the hair, skin, and nails.

Collagène

Marine Sourced Collagen

Recommended Use:

Drink one packet per day for 10 consecutive days. Repeat monthly.

Supplement Facts

Serving Size: 1 Packet (50mL)

Servings Per Container: 10

	Amount per serving	% Daily Value
